# 1 OUR PROFILE

SHEQ Assurance Consultancy is a wholly Ghanaian owned consulting Firm that is focused on the provision of leading-edge and cost-efficient environment, quality, occupational health and safety solutions to Clients in the areas of technical assessments and reporting as well as ISO Management Systems. As a start-up incorporated in June, 2022 (CS078940622) and based in Kumasi and Accra, the Firm leverages on the extensive expertise of its core team, who have more than fifteen (15) years of cumulative experience in the local and international consulting space.

We are an independent multidisciplinary and objective consultancy firm with extensive expertise and solid management support in Environmental, Occupational Health and Safety service solutions as well as geospatial, monitoring and evaluation, making us one of the best consulting firms in the country.

## 1.1 VISION STATEMENT

To be the ultimate reference for objective environmental, occupational health, safety, social, ISO management systems, geospatial, monitoring and evaluation consultants in Ghana and beyond.

## 1.2 MISSION STATEMENT

To provide objective, cutting-edge, timely and cost-effective sustainability, geospatial and M&E services to our clients.

## 1.3 OUR SERVICES

Summary of the key services we provide include:

## 1.4 OUR TEAM

As part of our quality commitments, SHEQ Assurance Consultancy Limited relies on dedicated and permanent staff members as well as our network of professionals to execute all assignments under our scope of services. We also invest in our staff by providing them with industry-based training to ensure they become very efficient in their operations and to achieve customer satisfaction.
